

REFUGEES WELCOME

VOLUNTEERS NEEDED

The Highland Third Sector Interface are recruiting volunteers to provide a friendly support and welcome to incoming refugee families and individuals here in Highland.

Volunteers will work with families and individuals for at least a couple of hours once a week, for up to eight weeks, shortly after their arrival to help them understand how to access services, supports and opportunities within their community.

Volunteers will need to commit to a two day training session on the 26th and 27th of February and at least one refugee support programme of approximately eight two hours sessions over eight/ten weeks from March 2016.

To download the role description and application form please visit the HTSI website www.highlandtsi.org.uk or call 01349 864289 to arrange for them to be posted directly to you.
