Gateway is an established charitable organisation which provides Outreach Care Support and Supported Accommodation across Highland communities. We currently have the following exciting career opportunities.

**CARE AT HOME SUPPORT WORKERS REQUIRED for our Inverness Service**

Do you want to work for a Care at Home Service that is different from the rest? Our Care at Home Service is expanding and we are looking to recruit Care at Home Support Workers.

At Gateway you will join a dedicated team of experienced staff where your work is recognised and valued by your clients and colleagues alike. Working for us is an exciting opportunity where you will be making a real difference to people’s lives by providing personal care and assisting with daily living tasks to promote independence and quality of life to our service users.

We pride ourselves on the quality of care we provide to our clients. This is possible through our commitment to our staff. We provide ongoing training and professional development and staff are supported by a management team who are accessible and recognise the demands of the role.

We are looking for individuals who reflect our Core Values which underpin and form the foundation on which we perform our work:

- A 'people person' who can build positive, caring relationships with our clients, based on respect and understanding, regardless of age, background or support needs;
- Reliable, dedicated and able to meet the physical demands of the job;
- Enthusiastic to promote our service user’s independence, choice, dignity and respect by delivering the very highest standards of care;

Applicants for these positions will preferably have experience in the field of providing support and personal care. However, our recruitment emphasises the right qualities of a positive, caring attitude and a willingness to be flexible in the delivery of care.

 Whilst ideally you will have a qualification in Health and Social Care, Gateway will support our staff to achieve the necessary SVQ qualifications. You will be required to register with the SSC. A full driving licence and access to your vehicle is necessary for the role, to travel between clients’ homes.

All posts require you to be a member of the Protecting Vulnerable Groups (PVG) Scheme and undertake the necessary vetting checks. Gateway implements an equal opportunity policy to promote diversity. We offer guaranteed hours contracts, paid training, free uniforms and a pension scheme to eligible staff. Competitive rates of pay are offered on the basis of experience and qualifications.

For an Application Pack and further details, please contact Mrs Joanna Kennedy, Business Administrator, Harriet Tay, Service Manager or Sandra MacGillivray, Team Leader on Tel No: 01463 718693 or email to office@homelesstrust.org.uk.
Relief Removals Driver

New Start Highland offers the opportunity for a highly motivated relief Driver/Operative to join their professional Removals team in Inverness. You will work with commercial and domestic customers and provide a quality service to the general public as and when required. As a key member of the Removals team you will be a positive, solution focused, adaptable individual and will have an exceptional ability to relate to people, excellent organisational skills, a flexible approach and the ability to provide outstanding customer service. A licence to drive a 7.5T vehicle is essential.

**Shared Care Scotland**  
**Shared Care Scotland - Short Breaks Fund, Better Breaks**

Annual round now open. Funds of £1.1 million is available for distribution in 2020/21.

The programme provides 12 month grants to third sector organisations to develop and deliver short breaks projects and services for children and young people with disabilities (aged 20 and under), and their carers (adult and/or young carers). These can include breaks away, days out, and/or shorter, regular activities and sessions. The activities can be for the children and young people with disabilities, for their carers, or for families to enjoy together. Projects must be able to evidence how their activities will benefit both children and young people with disabilities and their carers, by providing a break from their normal routine. These breaks should increase opportunities for children and young people to engage in activities they enjoy, give carers a break from their caring role, and improve wellbeing for all involved.

Next deadline: 21 November 2019

Chance to Connect

The Chance to Connect society lottery forms part of the Scottish Children’s Lottery, a fundraising initiative launched in 2016. Despite its name, the Scottish Children’s Lottery is not just one lottery, but is actually made up of four individual society lotteries. Each lottery raises funds for a separate grant-giving charity that promotes the welfare of Scotland’s children across a spectrum of good causes, from pre-school and study support, to employability and community engagement among the young.

Chance to Connect is one such charity and, alongside the other three, takes it in turn to be the designated society lottery promoted under the Scottish Children’s Lottery on a weekly rotational basis. Chance to Connect's designated good causes are the beneficiaries of the funds distributed by the scheme. All four charities receive the same fixed percentage from the proceeds of the Scottish Children’s Lottery, with each assured a guaranteed 30p from every £1 ticket sold.

Spectrum Centre, Inverness

9am registration, tea and coffee
Starting promptly at 9.30am, finishing at 12.30pm

Are you looking to support people living with dementia?
National Museums Liverpool (with support from High Life Highland) would like to offer you this very special training opportunity.

Join us for a free, half-day (6-hour) House of Memories dementia awareness training session that uses powerful stories to tell the personal stories of people living with dementia. It is provided for and recognizes the needs of health and social care staff, as well as anyone who works or volunteers with people living with dementia.

During the session you will learn:
- How to use memory tools and resources to communicate with people living with dementia – to support and encourage the sharing of their life stories, and to help see the person not the condition.
- Memory activities and resources that are available from House of Memories – such as memory boxes, memory bags, and museum memory walks.
- My House of Memories app – designed with and for people living with dementia and their carers - the app provides a free and easy way to share memories at home, in residential care homes, or with families.
- The Highland Memory app content with the opportunity to try it out.

This session is free to attend.
To book your place please email inverness.museum@liverpoolmuseums.org, or call 01475 871021 with your contact details.

Blythswood ‘shoebox’ appeal

ONE of a Ross-shire charity’s biggest drives of the year is well under way in a bid to spread the joy of Christmas to thousands of people most in need.

Blythswood Care’s Evanton headquarters will be a hive of activity between now and the turn of the year as volunteers coordinating the Shoe Box Appeal swing into action.

Lending her support is Highland MSP Kate Forbes who paid a visit to see the work now under way. She said: “I am delighted to help launch the Blythswood Shoe Box Appeal this year. It’s a great initiative that has been running for years.

“It gives us all an opportunity to look beyond our own happy Christmases and give a gift to somebody in another country. These small gifts make a huge difference. It would be nice to see as many shoeboxes as possible once again this year.”

Blythswood’s 2018 Shoe Box Appeal resulted in 107,073 boxes being distributed in Albania, Bulgaria, Hungary, Kosovo, Moldova, Romania, Serbia and Ukraine.

Filled with useful gifts such as toiletries, sweets, stationery and small items of clothing, the boxes are given to low-income families, school children, hospital patients, people with disabilities and special needs, and to homeless people.

To get involved in Blythswood’s 2019 Shoe Box Appeal, go to www.shoeboxappeal.org or call 01349 830777.

Blythswood needs volunteers to help process boxes in Inverness, Evanton and Maryburgh.

Learn, Laugh & Live!
Dingwall and District
The Mid Ross Community Partnership held a meeting in public at Dingwall Academy on the 12th of September. The aim was to get feedback on the proposed priority themes of the Locality Plan for Dingwall and agree initial actions.

Who Was Present?

Public bodies including: Highland Council, NHS Highland, Highlands and Islands Enterprise, Skills Development Scotland, Scottish Health Council, Social Security Scotland

Voluntary and Charitable Groups: Ross-shire Citizens Advice Bureau, Ross-shire Voluntary Action, Moo Food, High Life Highland

Community and Religious Services: Dingwall Lunch Club, Dingwall Baptist Church

Dingwall Youth Forum, local young people and members of the public.

Mental Health and Young People

We started the meeting with a talk from the Dingwall Youth Forum about their work to support young people experiencing difficulties with their mental health. We heard about a video they had produced about one young person's story which they thought was too 'hard hitting' to show us in a public meeting but which is having a real impact in PSE classes. Instead they took us through a couple of exercises to show that whether we have problems with mental or physical health, the kind of support we need to get better is much the same. Some of the young people involved were at our first ever meeting in Dingwall Academy when we discussed the local Children's Plan. They raised mental health as a key issue for young people and we responded by amending the Plan to include action on that topic. With the support of their schools and youth work staff they have gone on to create their own methods of raising awareness and encouraging other young people to get help if they need it. This is the kind of joint working and community engagement the Mid Ross Partnership is here to support.
Dingwall Locality Plan Themes and Ideas for Action

**Employment & Skills**
- Develop skills through volunteering.
- Roll Out the Sutherland Employability Project.
- Local Office for Skills Development Scotland.

**Living on A Low Income**
- Free activities for kids.
- Lunch clubs in holidays
- Community Gardens and Fridges
- Lunch Club Recipe Book

**Young People**
- More positive activities for young people
- Skate Park—forum led consultation
- Improve park equipment—inset trampoline and outdoor gym
- Raise awareness of Young Scot benefits, incl. local discounts

**Community Safety & Wellbeing**
- SMART programme for drug & alcohol recovery.
- Information on options for out of hours health care.
- Use people with lived experience to raise awareness.

Other themes in the draft Plan not discussed on the night include access to services and the environment. We will work with other organisations with ideas to improve Dingwall, such as the Community Council, Dingwall Development Company and Dingwall Means Business. An Action Plan for the Partnership will be agreed. If you would like more information contact high-uhb.mrcommunitypartnership@nhs.net or visit our website at www.highlandcpp.org.uk/mid-ross-community-partnership.html.
Are you interested in a more active and stimulating retirement?

U3A is an international movement which brings together people who have finished working full-time or raising their family and have time to develop their interests and continue their learning in a friendly and informal environment. The guiding principles are to promote lifelong learning through self-help interest groups. These cover a wide range of topics and activities as chosen by members. Within the interest groups, we share knowledge, skills and learning and enjoy the social side of learning together. The idea is that we can all continue learning, enjoying sharing our interests and exploring new interests in later life.

Here in Dingwall and District we have just started up a new branch, with monthly meetings open to everyone to come along and get to know us. We are an enthusiastic and friendly bunch, and you will be made to feel most welcome. Our meetings are held at 2pm on the 3rd Thursday of each month in Dingwall Baptist Church and usually involve a guest speaker.

We have many activity and interest groups, such as walking groups, a book group, art appreciation, creative writing, music, crafts, history, Shakespeare, calligraphy, German and French, all of which are free to U3A members. If you can’t find an interest group you like, then we will help you start one!

U3A membership is £20 a year, no matter how many interest groups you join.

So why not come and see if you like us? There’s no commitment involved, but we’re sure you’ll want to join - we already have over 80 members.

Find our website for more information
https://u3astites.org.uk/dingwall/home
Or phone our membership secretary Susan Jenner: 01997 420112
Are young people volunteering in your organisation?

...And have you considered registering as a Saltire Provider?

Saltire Awards is a special way of celebrating and recognising the volunteering achievements of young people in Scotland

What is it?

Saltire Awards is the **Scottish Governments national youth volunteer awards**. They celebrate, recognise and reward the commitment, contribution and achievements of young volunteers in Scotland, aged between 12 and 25.

Young people gain nationally recognised certificates, signed by Scottish Government Ministers, for the different amounts of volunteering they do.

Saltire Awards helps young volunteers to reflect on, capture and communicate their learning and development gained through their volunteering.

Who is it for?

Saltire Awards is for young people between the ages of 12 and 25 and who are volunteering for the benefit of the community or a good cause.

Saltire Awards is delivered in each local authority area by the local Third Sector Interface (TSI) They provide support and assistance on achieving and accessing the Saltire Awards.

To find out more information, or how to register your organisation, please visit: [https://saltireawards.org.uk/](https://saltireawards.org.uk/)
