Part of a series of Community Cycle Links highlighting quiet and off-road bike routes around the Black Isle

**Route 5 Munlochy - North Kessock**

Avoid the B9161 by cycling along a route via Littleburn and Cotterton that includes off-road sections or through Allangrange on National Cycle Network Route 1.

- **Distance**: 9.3km or 10.5km
- **Time**: 25–55 minutes

**Black Isle Travel Map**
Transition Black Isle published a travel map of the Black Isle in March 2015. The map highlights footpaths, bike-friendly routes, public transport connections and places of interest.

**Community Cycle Links**
These Community Cycle Links have been produced by Lachlan McKeggie and Peter Elbourne as part of Transition Black Isle’s Million Miles project. Funded by the Scottish Government's Climate Challenge Fund between 2012 and 2015, the project helped Black Isle households discover the joys of safer, greener, healthier and more sociable ways of travelling.
Starting at the car park in the centre of Munlochy, turn left down the main street past the school. Turn right signed 'Black Isle Brewery' and follow along past Allangrange. At the T junction, turn left signed for North Kessock on a blue National Cycle Network route sign. At the next T junction, turn right and immediately left signed 'Coldwell' (take care crossing). Continue through a cluster of houses and down the hill. At the bottom of the hill, turn right signed for North Kessock on the blue cycle route sign. This path runs parallel to the A9. Before the road junction, turn left signed for 'North Kessock', go under the A9 and turn left. Cross over the road by the roundabout (take care crossing). Follow the designated cycle path until it runs out then join the road heading down hill. Continue along the road and onto the seafront. The main car park is on the right by the Hotel.
