Transition Black Isle aims to take local action on peak oil and climate change. Established in 2009 and now a registered charity and company run by local volunteers.

Find out more - www.transitionblackisle.org

Cycling in Rural Scotland - 22nd Mar 2014

Our Million Miles project aims to cut car use on the Black Isle.

Supported by the Scottish Government’s Climate Challenge Fund until March 2015.

Why are we doing this?
- Cut carbon
- Reduce congestion
- Save people money
- Healthier communities

Cycling in Rural Scotland - 22nd Mar 2014
Transition Black Isle’s Million Miles project

We created a bespoke portal to the national Liftshare network
A big thank you to the Highland Council Ward 10 Discretionary Budget!

Cycling in Rural Scotland - 22nd Mar 2014

highland.liftshare.com

Progress made since website launched in January 2013...

640 members
733 journeys
(March 2014)

Tailored advice delivered in one-to-one training sessions
Organised through Home Energy Scotland

Cycling in Rural Scotland - 22nd Mar 2014

Fuel efficient driver training

40 drivers trained to date

Organised through Home Energy Scotland

Cycling in Rural Scotland - 22nd Mar 2014

Transition Black Isle’s Million Miles project

Organised with Stagecoach Highland

Cycling in Rural Scotland - 22nd Mar 2014

Local bus voucher campaigns
Trial of bike racks on buses

Bike rack on back of buses running length of Black Isle from spring to autumn
