

**One Earth.  
One home.  
One shared future.**

By 2045: By restoring nature and ending Scotland's contribution to climate change, our country is transformed for the better – helping to secure the wellbeing of our people and planet for generations to come.

Our healthy environment supports a fairer, healthier, more inclusive **society**

Our thriving sustainable **economy** conserves and grows our natural assets

We are **responsible global citizens** with a sustainable international footprint

Scotland's **nature** is protected and restored with flourishing biodiversity and clean and healthy air, water, seas and soils

We play our full role in tackling the global **climate** emergency and limiting temperature rise to 1.5°C

We use and re-use **resources** wisely and have ended the throw-away culture
